

Marie-Anne Kelly

# ODN Nurse Educator Team

Nicola Hunt and Marie-Anne Kelly are the Neonatal Nurse Educators for the Yorkshire and Humber Neonatal ODN.

Between us we have experience across all levels of neonatal services, gained in units across the country. We both share a passion for education and quality improvement.

Nicola Hunt

# Our Role

Our role is to work closely with the Lead Nurse in supporting the implementation of National directives and the facilitation of embedding this into practice.

Nicola is responsible for the delivery and facilitation of the Neonatal Foundation Programme, as well as supporting education and training around family care and additional areas where needed.

Marie-Anne supports quality improvement projects in relation to workforce and transformation and is also responsible for working collaboratively with local providers in the development of the Qualified in Speciality courses.

How can  
we support  
you?

Please contact us on the emails below for any support or information around education and training.
