

Kate Lamming

## ODN Lead Nurse Team

Louise Crabtree & Kate Lamming are the lead nurses for the Yorkshire & Humber Neonatal ODN. Between them they have 45 Years experience in Neonatal Nursing. Louise and Kate both have experience at all levels of Neonatal care and working closely within the multi-disciplinary teams. Louise's experience expands worldwide and in patient transfer services at depth. Kate's experience expands to setting up new services and change management with regards to practice and workforce structures. Our focus is to contribute to service improvement, standardisation and supporting the provision of high standards of care through education.

Louise Crabtree

# Our Role includes..

Supporting the implementation of National directives and the facilitation of embedding this into practice.

Collaborating with neonatal & maternity colleagues, parents & families with the aim of enhancing neonatal care for babies and their families across Yorkshire & Humber. Encouraging units to share best practice which supports shared learning leading to the development of improved outcomes for babies & families.

Improving the flow of patients within the network and contributing to the needs of the developing neonatal workforce.
